

**Speed Networking – back by popular demand
on Tuesday 25 August
6.30 pm for 7.00 pm
at City Inn, Brindleyplace, Birmingham**

You told us you enjoyed this so much – we’re repeating the opportunity! If you were unable to attend previously, here’s another chance! If you attended and enjoyed it, we look forward to seeing you again.

Following our recent successful speed networking event, we are pleased to offer another opportunity to **distribute your business cards, increase business contacts and maximise marketing opportunities** on a Summer evening with WiBA.

Are you looking for a cost-effective way to positively impact on your business?

Many people find speed networking the best solution for them. Could you be one of them? Join us for what could prove an enjoyable and beneficial experience for you and your business.

The evening will consist of speed networking followed by a tasty barbecue served up on City Inn's terrace where you can follow up contacts made and meet wiba members and guests.

Bring business cards, brochures etc, and enthusiasm as you will be able to network and distribute your literature during the speed network event.

What can you expect?

- The **opportunity to make new business contacts**
- A chance to **practice networking skills**
- **Wine/soft drinks and barbecue** by City Inn Chef and team

Feel free to bring your colleagues, friends and associates – men and women welcome as guests.

We look forward to seeing you there.

“I always leave WIBA events with a smile on my face!”
