Thursday 22<sup>nd</sup> March 2018  
6.00 arrival for 6.30pm start  
1 Oozells Square, Brindley Place, Birmingham B1 2HS**

Join WiBA members and guests for a guided tour around the two new exhibitions at Ikon Gallery, and then enjoy relaxed networking and socialising in Yorks Café.

---

Join us for a welcome drink at 6pm before we have brief introduction to the artists' work and take a tour of the new exhibitions.

We will finish our evening in Yorks Café on the ground floor and enjoy the pizza sharing menu (olives, flatbreads, dips, salad etc) and a glass of wine or fizz (with a soft drink option). We plan to finish our evening at 8.30pm.

Ikon was set up in the 1960s to challenge more traditional and static art galleries, and moved into its current home just 20 years ago. It has remained true to its founding vision of challenge by celebrating the art of contemporary artists.

British artists **Ben Langlands and Nikki Bell**, are marking the 40th anniversary of their artistic partnership. "Internet Giants : Masters of the Universe" features the iconic new architecture of global technology companies such as Apple, Facebook, Microsoft and Google. The exhibition includes relief sculptures, installations and portraits exploring the increasingly profound influence these huge companies will have on all our lives as we enter the Information Age.

**Rie Nakajima** is one of the most experimental artists working in the UK. Fusing sculpture and sound, her artistic practice is open to chance and the influence of others, raising important questions about the definition of art. Nakajima makes pieces often in direct response to architectural space, using a combination of kinetic devices, musical instruments and found objects. Ikon's exhibition consists entirely of new work and includes a number of performances.
